### Preparation Course Description

Classes cover preparation for the CSI CDT Exam  
Certification Preparation course cost is \$125 for CSI Members, \$200 for Non-CSI Members  
Cost for returning attendees will be \$100.

### Courses Materials

Course instruction and certification exams focus largely on the CSI Project Delivery Practice Guide (PDPG). It is a valuable asset for course and exam study, as well as personal practice. The Cook Inlet Chapter is attempting to offer a limited supply of the PDPG's for purchase by course attendants at a discounted rate. CSI Member retail pricing for the manual is approximately \$119 plus shipping and non—member pricing of \$169 plus shipping. Discount pricing will be determined at a later date. Please indicate below if you are interested in purchasing a personal copy. You may take the course without taking the exam.

### Certification Exams

Registration forms to take the exam and exam fees for the CDT Certification Exam must be submitted separately to the Institute office of CSI. You can get information and forms under the Certification tab at [www.csiresources.org](http://www.csiresources.org). **NOTE – EXAM REGISTRATION DEADLINES ARE INDEPENDENT OF PREPARATION COURSE DEADLINES, and early registration discounts apply to exam only. Early Registration for the exam is from February 17<sup>th</sup> through March 10<sup>th</sup>. The Standard Registration deadline for the May 4<sup>th</sup> – June 5<sup>th</sup> test window is April 18, 2021 and Final registration is from April 19<sup>th</sup> – May 14, 2021.** There is a substantial increase between the Early, Standard, and Final Registration rates so you will want to register for the exam as early as possible.

Note: All CSI exams have moved to Computer Based Testing and are offered at computerized testing locations throughout the U.S. and Canada twice a year. Candidates are cautioned to complete exam registration early. Confusion in the past has resulted in class attendants becoming ineligible to sit for certification exams due to space limitations at exam testing sites. For more information and brochures, visit the new CSI web site at [www.csiresources.org](http://www.csiresources.org) and follow the links for Certification, or call 1-800-689-2900.
